THE SURE DEFENCE

Key Safes and Key Management

*We protect what
you care most about!*

Key Safes and Key Management

The Key Safe range is the perfect security solution for securing and storing keys. This range includes Keyguard allowing authorised access to carers, cleaners, workmen, dependents, holiday lets, and key cabinets designed for use in showrooms, garages, universities, schools and large commercial sites.

We provide products that answer a variety of requirements: UK Police Preferred Specification under the Secured by Design scheme, and the Keyguard Digital XL is certified to LPS1175 (Issue 8) A5.

LPS1175 Issue 8 is an independent attack test certification. A tool list is selected and then time given to withstand a physical attack. Keyguard XL is the first key safe to achieve this level.

LPCB is part of the BRE Group, the world renowned certification and testing facility who test and certify products to the very latest attack methods.

High Security Solution for storing keys

Keyguard Digital XL

- The world's first key safe to be successfully certified to LPS1175 Issue 8
